

Meet Dawn Bjork Buzbee, MCT

Background

Dawn Bjork Buzbee is The Software Pro® a Microsoft Certified Trainer with over 25 years' experience *transforming geek speak into people friendly.*

A professional software speaker, trainer, consultant, author, and business owner, Dawn simplifies complex processes with an informative and entertaining approach and delivers content that is immediately useful. Dawn has helped more than 100,000 individuals from Fortune 1000 companies, government, education, associations, and other organizations to learn smart, easy, and productive ways to use software and technology more effectively.

Microsoft has awarded Dawn with the certifications of *Microsoft Certified Trainer (MCT)*, *Microsoft Office 2013 Specialist (MOS 2013) Master Instructor* and *Microsoft Office 2010 Specialist (MOS 2010) Master Instructor* for her expertise as a training professional in Microsoft Office. Dawn has also earned recognition with 30 additional certifications including:

- ▶ Microsoft Certified Application Specialist (MCAS) Instructor.
- ▶ Microsoft Office Word 2013 Expert, Microsoft Office Excel 2013 Expert, Microsoft Office Outlook 2013 Specialist as well as Microsoft Office Word 2010 Expert, Microsoft Office Excel 2010 Expert, Microsoft Office Outlook 2010 Specialist, Microsoft Office PowerPoint 2010 Specialist, Microsoft Office OneNote 2010 Specialist, Microsoft Office Access 2010 Specialist.

With her uncommon mix of technical and communication expertise, Dawn simplifies using the software you work with every day:

- ▶ Valuable, timely, and customized technology education for your next conference or meeting; flexible program options on Microsoft Office, Microsoft Windows, and Adobe Acrobat tips, tricks, and techniques.
- ▶ Tailor-made training and support for upgrades and transitions to new programs including Microsoft Office 2013, Office 365, Microsoft Office 2010, and Windows 7/8.
- ▶ Focused topics to give employees a more personalized, practical, and in-depth way to build their expertise and move forward in their careers.
- ▶ Custom-made training provided within flexible formats including formal classroom instruction, webinar or web-based training, one-on-one software coaching, and other personalized methods.
- ▶ Private executive level coaching on new upgrades and key programs.
- ▶ Customized learning tools including webinars, books, manuals, reference guides, training documentation, and video instruction.
- ▶ Targeted consulting to support Microsoft Office upgrades, file conversions, troubleshooting on user issues, special projects and other key software needs.

"Dawn was professional, consistent, and a joy to work with! She is at the top of her game and she is an excellent presenter. Conference attendees loved her and she knows her subjects."

Erik Ruthruff
Microsoft Office Solutions Conference

"Thank you, Dawn. We received tremendous feedback that your presentation on Microsoft Office and Windows was very dynamic, interesting, and very informative. The strong points of your presentation were how you interacted with the audience, and your expertise and enthusiasm on the subject."

London Matusiak, Marketing Manager
Vitech Systems Group

Software Expert
